

一、分享生活经历信

题目要求：你的英国笔友 Peter 来信询问你周末参加的“校园环保日”活动。假定你是李华，请写一封英语回信，分享这次活动经历。内容包括：1. 活动的时间与主要内容；2. 你在活动中的具体行动；3. 活动带给你的感受与收获。

Dear Peter,

I'm glad to receive your letter asking about the "Campus

Environmental Protection Day" I attended last weekend. The event,

held from 9 a.m. to 4 p.m. on Saturday, aimed to raise students'

awareness of environmental protection.

During the activity, my classmates and I collected plastic waste

around the campus, planted 50 small trees in the school garden,

and made posters to promote recycling. I also helped explain to

younger students how to sort garbage correctly, which made me

feel very proud.

This experience not only made the campus cleaner but also taught

me that small actions can make a big difference. I hope your school

also has such meaningful activities!

Yours,

Li Hua

二、分享书籍感悟信

题目要求：你最近读完了《小王子》(The Little Prince)，深受触动。假定你是李华，请给你的好友 Zhang Wei 写一封英语信，分享这本书。内容包括：1. 书籍的主要内容简介；2. 让你印象最深的情节；3. 这本书带给你的启示。

Dear Zhang Wei,

I'm writing to share a wonderful book I just finished reading—The

Little Prince by Antoine de Saint-Exupéry, which tells the story of a little prince traveling across different planets and meeting various interesting people.

What impressed me most is the part where the little prince cares for his rose carefully, even though there are thousands of similar roses in the world. He learns that “the most important things are seen with the heart, not with the eyes.”

This book reminds me to cherish the people and things around me, as true value comes from care and dedication. I think you'll love it

too—would you like to borrow it next week?

Yours sincerely,

Li Hua

三、分享旅行见闻信

题目要求：暑假期间，你和家人去了丽江旅行，感受到了当地独特的风土人情。假定你是李华，请给你的美国笔友 Emma 写一封英语信，分享这次旅行。内容包括：1. 旅行的时间与交通方式；2. 丽江的特色景观与文化；3. 你最难忘的旅行瞬间。

Dear Emma,

I hope you're having a great summer! I'm writing to share my trip

to Lijiang with my family last month—we took a high-speed train

there, which was fast and comfortable.

Lijiang is a beautiful ancient town with clear rivers running through

narrow streets and traditional wooden houses everywhere. We

visited the famous Jade Dragon Snow Mountain, tasted local

snacks like Yunnan rice noodles, and watched a traditional Naxi

dance show.

The most unforgettable moment was when we sat by the river at

night, listening to the sound of water and looking at the bright stars.

It felt like a dream! I'll show you photos when we chat next time.

Yours,

Li Hua

四、分享学习方法信

题目要求：你的同学 *Li Ming* 最近在英语写作上遇到困难，向你求助。假定你是李华，请写一封英语信，分享你的英语写作学习方法。内容包括：1. 积累素材的方法；2. 练习写作的具体方式；3. 修改与提升的技巧。

Dear Li Ming,

I'm sorry to hear you're having trouble with English writing. I'd like

to share some methods that have helped me a lot, hoping they'll

work for you too.

First, I keep a notebook to collect good words, phrases and

sentences from English articles or movies—this helps me enrich my

vocabulary and expressions. Second, I write a short diary every day,

even just 50 words, to practice organizing ideas. Third, after

finishing a composition, I always read it aloud to find grammar

mistakes and ask my teacher for advice on how to improve.

Remember, practice makes perfect. Keep trying, and you'll see

progress soon!

Yours,

Li Hua

五、分享兴趣爱好信

题目要求：你的新同桌 *Wang Hong* 喜欢艺术，但还没有找到自己擅长的领域。假定你是李华，请写一封英语信，分享你喜欢的绘画爱好。内容包括：1. 你开始绘画的原因；2. 绘画带给你的乐趣；3. 鼓励对方尝试并分享感受。

Dear Wang Hong,

I heard you're interested in art but haven't found your favorite field

yet. I'd like to share my hobby—painting, which has been part of

my life for three years.

*I started painting because my mom gave me a set of watercolor
paints on my 13th birthday. At first, I just painted simple flowers,
but now I can create scenes like sunsets and parks. What I love most
about painting is that it helps me relax after a busy day at school
and allows me to express my feelings through colors.*

*Why not try a form of art you're curious about, like drawing or
pottery? I'd be happy to listen to your experience and even paint
with you sometime!*

Yours sincerely,

Li Hua
